

Hidden Treasure on the Lake

By Lisa Rosati

Alcona residents may be familiar with the Fork & Plate Family Grill, located at 2383 25th Sideroad. After only one year in business they have garnered a following in the area, famous for home-style meals. Among their fans are the people at Lefroy Harbour Resorts and a merger of sorts has taken place between the two. Fork and Plate owners, Ralph Hollander and Deb Burton succumbed to the lure of

the water and expanded their business to a second location at Lefroy Harbour Resort located at 727 Harbour Road on April 18, 2009

This unique restaurant is accessible by land or water and even delivers dock-side. Deb and Ralph bring many years of experience in hospitality, and the same staff provide service here in their new digs. A few of the staff are members of a youth group called "the Why Nots" who occasionally also entertain patrons with a song or a magic trick.
